## **KOTOR VISTA**

This luxurious development occupies a prime position on the shore of the Bay of Kotor. It's situated in the village of Muo, characterised by stone houses built in a medieval style, and surrounded by wooded mountains. Designed as an exclusive community, the three-storey apartments are integrated with the locality and feature fully-furnished interiors; air-con; balconies with views of the bay; light, open-plan living spaces; environmentally-friendly features; plus two double bedrooms and two bathrooms each. Amenities include two pools, two jacuzzis, a cafe, children's adventure playground, 24-hour concierge service and more.

● Prices range from €228,000 to €254,000 (£154,333 to £171,928)
